INTRODUCTION

TYPE OF PLAN

Effective July 1, 2009, Central Shenandoah Planning District Commission amended its money purchase pension plan. The plan is named the Central Shenandoah Planning District Commission Money Purchase Pension Plan, but it will be referred to in this summary as the *Plan*.

PLAN SPONSOR

Central Shenandoah Planning District Commission is the sponsor of the Plan, and will sometimes be referred to in this summary as the *Sponsoring Employer*, the *Employer*, the *Company*, *we*, *us* or *our*. Our address is 112 MacTanley Place, Staunton, VA 24401. Our telephone number is (540) 885-5174 and our employer identification number is 54-0857625.

PURPOSE OF THIS SUMMARY

This booklet is called a Summary Plan Description (the *SPD*) and it is meant to describe highlights of the Plan in understandable language. It is not, however, meant to be a complete description of the Plan, nor is it meant to interpret, extend or change the provisions of the Plan in any way. If there is a conflict between this SPD and the Plan, the provisions of the Plan control your right to benefits. A copy of the Plan and related documents are on file with the Administrator and you can read them at any reasonable time. Also, no provision of the Plan or this SPD is intended to give you the right to continued employment or to prohibit changes in the terms or conditions of your employment. If you have any questions that are not addressed in this summary, you can contact the Administrator (who is described in the next section) during normal business hours.

PLAN ADMINISTRATION

PLAN TRUSTEE

The Plan is administered under a written plan and trust agreement, and the trustees of that agreement are responsible for trusteeing the Plan's assets. The trustee is Bonnie Riedesel. The trustee can be contacted at 112 MacTanley Place, Staunton, VA 24401.

PLAN ADMINISTRATOR

All matters other than investments that concern the operation of the Plan are the responsibility of the Administrator. The Administrators are Rita Whitfield and the Central Shenandoah Planning District Commission, whose address is 112 MacTanley Place, Staunton, VA 24401, and whose telephone number is (540) 885-5174. The Administrator has the power and authority to interpret the terms of the Plan based on the Plan document and existing laws and regulations, as well as the power to determine all questions that arise under the Plan. Such power and authority include, for example, the administrative discretion necessary to resolve issues with respect to an employee's eligibility for benefits, credited service, Disability, and retirement, or to interpret any other term contained in the Plan and related documents. The Plan Administrator's interpretations and determinations are binding on all Participants, employees, former employees, and their beneficiaries.

PLAN NUMBER

For identification purposes, we have assigned number 001 to the Plan.

SERVICE OF LEGAL PROCESS

If you have to bring legal action against the Plan for any reason, legal process can be served on trustee at 112 MacTanley Place, Staunton, VA 24401. Legal process can also be served on the Administrator.

GENERAL PLAN DEFINITIONS

Many definitions are used in this summary and most are defined in the section where they appear, but the following terms have broader application and are used throughout this summary:

ACCOUNT

Your Account represents the aggregate value of the various contributions made to the Plan on your behalf, as well as the net earnings on those contributions.

ALLOCATION PERIOD

The Allocation Period is the period of time for which a contribution to the Plan is allocated. The Allocation Period is generally the Plan Year, but to the extent contributions are made more frequently than annually, they will be allocated based on the Compensation earned during the Allocation Period. Except as otherwise noted, a contribution for an Allocation Period of less than 12 months will not be adjusted at the end of the Plan Year to reflect annual Compensation.

BREAK IN SERVICE

You will incur a Break in Service if you fail to perform, in any 12-month computation period, more than 500 Hours of Service for eligibility purposes and more than 500 Hours of Service for Vesting purposes. A Break in Service may affect your eligibility to receive an allocation of contributions and the number of your Years of Service which are counted in determining your Vested Interest in your Account.

DISABILITY

Disability is a physical or mental impairment you suffer after you become a Participant in the Plan (and while you are still an employee) which, in the opinion of the Social Security Administration, qualifies you for disability benefits under the Social Security Act in effect on the date that you suffer the mental or physical impairment.

HOURLY OF SERVICE

An Hour of Service is any hour for which you have a right to be paid by us, including hours you are paid for vacation, holidays, illness, back pay and maternity leave.

NORMAL RETIREMENT AGE

Normal Retirement Age is the later of the date you reach age 65 or the fifth anniversary of the date you become a Participant in the Plan.

PLAN YEAR

The Plan Year is the 12 consecutive month accounting year of the Plan, and it begins each July 1st and ends the following June 30th.

VESTED INTEREST

Your Vested Interest is the percentage of your Account to which you are entitled at any point in time. However, notwithstanding any vesting schedule set forth in those other sections of the SPD, you will have a 100% Vested Interest in your Account upon reaching Normal Retirement Age, upon your death while you are still a Participant in the Plan, or upon suffering a Disability while you are still a Participant in the Plan.

YEAR OF SERVICE

A Year of Service is a period of time used to determine your eligibility to participate in the Plan and to determine your Vested Interest. A Year of Service for eligibility purposes is a 12 consecutive month computation period in which you are credited with at least 1,000 Hours of Service. Your initial eligibility computation period begins on your employment commencement date. Your second eligibility computation period overlaps your first eligibility computation period and begins on the first day of the Plan Year which begins prior to the first anniversary of your employment commencement date. For example, if your employment commencement date is September 1st, your first eligibility computation period will end on the following August 31st, but

your second eligibility computation period will have already begun on the immediately preceding July 1st and will end the following June 30th. Each succeeding eligibility computation period (if required) will begin July 1st and end June 30th. A Year of Service for Vesting purposes is a 12 consecutive month computation period in which you are credited with at least 1,000 Hours of Service. The Vesting computation period is the Plan Year.

NON-ELECTIVE CONTRIBUTIONS

HOW THE CONTRIBUTION IS DETERMINED

We will make a contribution to the Plan each Allocation Period equal to 13.85% of each eligible Participant's Compensation.

HOW YOU BECOME A PARTICIPANT

To become a Participant in the Plan, you must satisfy the following criteria (described in more detail below): (a) you must be an Eligible Employee; and (b) you must be employed by us on the applicable entry date.

ELIGIBLE EMPLOYEES. All employees are considered to be Eligible Employees except for the following ineligible class of Employees: anyone who is a leased employee.

ENTRY DATE. You will enter the Plan as a Participant on the same date that you are hired.

HOW YOU QUALIFY FOR A CONTRIBUTION ALLOCATION

Once you become a Participant, you are eligible for a contribution allocation for any Allocation Period for which we make a contribution provided (1) you make a Mandatory Employee Contribution to the Plan equal to 7.65% of your Compensation for the Allocation Period (and these contributions are 100% Vested at all times); and (2) you satisfy the requirements described below:

ACTIVE PARTICIPANTS. If you are still employed by us on the last day of an Allocation Period (and you are still an Eligible Employee on the last day of the Allocation Period), you will be eligible to receive an allocation if you are credited with at least 1,000 Hours of Service during the Allocation Period.

TERMINATED PARTICIPANTS. If you terminate employment with us before the last day of an Allocation Period because of your retirement on or after Normal Retirement Age, or because of your death or Disability, and you are still an Eligible Employee on the day you terminate, you will be eligible to receive an allocation regardless of your service during the Allocation Period. If you terminate employment with us before the last day of an Allocation Period for any other reason, you will not be eligible to receive an allocation for that Allocation Period.

HOW THE CONTRIBUTION IS ALLOCATED

Non-Elective Contributions are allocated in the ratio that your Compensation for the Allocation Period bears to the total Compensation of all Participants eligible to receive an allocation for the Allocation Period. This means that the amount allocated to each eligible Participant's Account will, as a percentage of Compensation, be the same. This means that, under this Plan, each eligible Participant will receive an allocation equal to 13.85 of his or her Compensation for the Allocation Period.

HOW YOUR COMPENSATION IS DETERMINED

In general, the amount of Non-Elective Contributions made on your behalf is based on the total pay you receive from us (your "Compensation") for the Plan Year. However, no contributions will be made with respect to any of your Compensation in excess of the annual dollar limit on Compensation. This dollar limit is \$245,000 for the Plan Years beginning in 2009 and 2010, and will be adjusted periodically thereafter for inflation. Non-Elective Contributions will also not be made with respect to the following Compensation: (a) amounts received as bonuses; (b) amounts received as commissions; and (c) any amount received as Director's fees.

HOW YOUR VESTED INTEREST IS DETERMINED

Your Vested Interest in your Account is determined by the vesting schedule following this paragraph, based on your credited Years of Service when your Vested Interest is determined. In determining your Vested Interest in your Account, all of your Years of Service will be counted. Any part of this account which is not vested will be forfeited when you receive a distribution of your Vested Interest (or after you incur 5 consecutive Breaks in Service, if earlier) and will thereafter be.

1 Year of Service	33.33% Vested
2 Years of Service.....	66.66% Vested
3 Years of Service.....	100.00% Vested
4 Years of Service.....	100.00% Vested
5 Years of Service.....	100.00% Vested
6 Years of Service.....	100.00% Vested

TOP HEAVY REQUIREMENTS

Under certain circumstances, you may be entitled to a minimum allocation for any Plan Year in which the Plan is considered "top heavy." The Plan is considered top heavy for any Plan Year in which more than 60% of Plan assets are allocated to the Accounts of Participants who are "key" employees (that is, employees who satisfy certain ownership requirements and employees who are officers and whose Compensation for the Plan Year exceeds certain IRS limits). However, the Plan automatically satisfies this requirement in any Plan Year for which we make a contribution on your behalf to another qualified retirement plan (if any) that we sponsor. If the Plan is not exempt, then for each Plan Year in which the Plan is considered top heavy and in which you are employed by us on the last day of the Plan Year, you will receive a minimum allocation equal to the lesser of 3% of your Compensation or the highest percentage of Compensation allocated for that Plan Year to the Accounts of Participants who are key employees.

MAXIMUM ALLOCATION LIMITATIONS

The amount of contributions and forfeitures that can be allocated to your Account for any Plan Year is limited by law to the lesser of 100% of your Compensation or the annual dollar limit. This dollar limit is \$49,000 for the Plan Years beginning in 2009 and 2010, and will be adjusted periodically thereafter for inflation. However, this limitation does not apply to the amount of earnings that can be allocated to your Account, to the amount of any Rollover Contributions you can make to the Plan, or to any other funds transferred to this Plan on your behalf from another qualified plan.

ROLLOVER CONTRIBUTIONS

If you participated in another retirement plan, you may be permitted to roll over any distribution you receive from the other plan to this Plan if all legal requirements (and any requirements imposed by the Administrator) are satisfied. Do not withdraw funds from any other plan or account until you have received written approval from the Administrator to roll those funds into this Plan. If you do decide to make a rollover contribution and it is accepted by the Administrator,

it will be kept in a separate Rollover Account established on your behalf. You will at all times have a 100% Vested Interest in your Rollover Account, and you can make withdrawals from your Rollover Account at any time.

DISTRIBUTION OF BENEFITS

DISTRIBUTIONS FOR REASONS OTHER THAN DEATH

If you terminate employment with us for any reason and your Vested Interest (including your Rollover Account) is \$1,000 or less, it will be distributed in a lump sum as soon as administratively feasible after you terminate employment. The distribution will be made to you or, at your election, will be rolled over either to another qualified retirement plan that agrees to receive the distribution or to an individual retirement account (IRA) established by you.

If your Vested Interest (including your Rollover Account) is more than \$1,000 and you terminate employment because of retirement on or after Normal Retirement Age or because you suffer a Disability, your Vested Interest will generally be distributed within an administratively feasible time after you terminate. If you terminate employment for other reasons, your Vested Interest will generally be distributed within an administratively feasible time after you request payment. Your Vested Interest will be distributed as monthly payments from an insurance company. Monthly payments will cease when you die unless you're married when payments begin, in which case your surviving spouse (if any) will then begin receiving a monthly payment for the balance of his or her life. Your spouse's monthly payment will equal 50% of the monthly payment you are receiving when you die (unless you elect a higher percentage). You can elect any percentage between 50% and 100%, but the amount of each monthly payment you receive will be decreased as the percentage you elect for your spouse is increased.

With your spouse's written consent, you can also elect not to receive monthly payments and instead elect to receive either (a) a lump sum; or (b) substantially equal installment payments over a specified period of time. If you elect installment payments, there are limits on how long the payments can be made, and they will be explained to you at the appropriate time. If you elect a lump sum, it can be paid to you or, at your election, rolled over to another qualified retirement plan that agrees to receive the distribution or to an individual retirement account.

In addition to the benefit payments described above, there are rules which require that certain minimum distributions be made from the Plan. Generally, these minimum distributions must begin no later than (a) the April 1st following the end of the year in which you reach age 70½ or (b) the April 1st following the end of the year in which you retire. However, if you are a 5% owner, you must begin receiving minimum distributions by the April 1st following the end of the year in which you reach age 70½ even if you are still employed by the Employer.

DISTRIBUTIONS UPON DEATH

Your Vested Interest will be distributed to your beneficiary as soon as administratively feasible after your death. If you are not married, you can name anyone to be your beneficiary. If you are married, your spouse is automatically the beneficiary of 100% of your Vested Interest. Your spouse can waive in writing his or her statutory death benefit, in which case you can name one or more other beneficiaries to receive your entire Vested Interest. A non-spouse beneficiary can elect to receive (a) a lump sum; or (b) substantially equal installment payments over a specified period of time (although there are limits on how long installment payments can be made, which will be explained to your beneficiary at the appropriate time). However, any death benefit payable to your spouse will be distributed as monthly payments until his or her death unless, with your spouse's written consent, you waive the monthly payments, in which case your spouse can elect to receive (a) a lump sum; or (b) substantially equal installment payments as described above.

If your death occurs *before* the date that minimum distributions must begin (as described in the preceding section), the distribution of your Vested Interest to your beneficiary must be made within certain legal timeframes which are dependent upon several factors, including (a) whether you have a designated beneficiary, (b) your relationship to the beneficiary (spousal or non-spousal

beneficiary) and (c) certain elections that your beneficiary may make after your death. However, if your death occurs *after* the date that minimum distributions must begin, the minimum death benefit that must be paid to your beneficiary each year after your death is based on the longer of your remaining life expectancy (had you survived) or the remaining life expectancy of your beneficiary. Your beneficiary may also choose to accelerate the payment rate. Please contact the Administrator for more information regarding payments to beneficiaries.

Any death benefit received by your spouse can be rolled over to an IRA. A non-spouse beneficiary may establish a special IRA (an "Inherited IRA") that can receive a direct rollover of all (except for any required minimum distributions) or a portion of a death benefit that would be distributed from the Plan to that non-spouse beneficiary.

Certain portions of a death benefit may not be eligible to be rolled over from the Plan into an Inherited IRA. If you needed to take a required minimum distribution in the year of your death (but you have not yet taken that required minimum distribution), then that required minimum distribution cannot be rolled over from the Plan into an Inherited IRA. Similarly, if the non-spouse beneficiary needs to take any required minimum distribution from the Plan for the year in which the direct rollover occurs (or any prior year), then the non-spouse beneficiary cannot roll over that required minimum distribution into an Inherited IRA.

If the non-spouse beneficiary elects to roll over the death benefit to an Inherited IRA, then the inherited IRA will be subject to complicated required minimum distribution rules. You should inform your non-spouse beneficiary that (a) he or she is designated to receive your death benefit, and (b) your death benefit can be rolled over to an Inherited IRA. The non-spouse beneficiary should discuss any planning issues and tax consequences with their professional tax advisor with respect to a direct rollover of your death benefit into an Inherited IRA.

LOANS TO PARTICIPANTS

You are permitted to borrow from the Plan with the approval of the Administrator. All loans will be made in accordance with the Loan Policy established by the Administrator. If the Loan Policy is not attached to this summary, you can obtain a copy from the Administrator.

INVESTMENT OF ACCOUNTS

Subject to an investment policy established by the Administrator, you can direct how some (or all) of your Account will be invested. You can choose from any investment options approved by us, including but not limited to savings and/or money market accounts, stocks, bonds, mutual funds, and insurance company funds. You can switch between investments as often as is permitted under the investment options you choose. All earnings and losses on your directed investments will be credited directly to your Account. Investment results will reflect any fees and investment expenses for the investments you select. You may request more information on fees associated with an investment option from the Administrator. At the appropriate time, we will provide you with more detailed information about the investment options permitted under the Plan's investment policy.

We intend to comply with Section 404(c) of the Employee Retirement Income Security Act of 1974. This means that if you are permitted to exercise independent control over the investment of your Account and you are offered a reasonably diverse selection of well managed investment options, then the fiduciaries of the Plan, including the Administrator and us, may be relieved of certain liabilities for any losses which occur because you exercise control.

TAX WITHHOLDING ON DISTRIBUTIONS

Due to the complexity and frequency of changes in the federal laws that govern benefit distributions, penalties and taxes, the following is only a brief explanation of the law and IRS rules and regulations as of the date this summary is issued. You will receive additional information from the Administrator at the time of any benefit distribution, and you should consult your tax advisor to determine your personal tax situation before taking the distribution.

DIRECT ROLLOVERS NOT SUBJECT TO TAX

Any eligible distribution that is directly rolled over to another eligible retirement account (either another qualified retirement plan or an individual retirement account) is not subject to income tax withholding. Generally, any part of a distribution from this Plan can be directly rolled over to another eligible retirement account unless the distribution (1) is part of a series of equal periodic payments made over your lifetime, or over the lifetime of you and your beneficiary, or over a period of 10 years or more; or (2) is a minimum benefit payment which must be paid to you by law. There are other distributions that are not eligible for direct rollover treatment, and you should contact the Administrator if you have questions about a particular distribution.

20% WITHHOLDING ON TAXABLE DISTRIBUTIONS

If you have your benefit paid to you and it's eligible to be rolled over, you only receive 80% of the benefit payment. The Administrator is required to withhold 20% of the benefit payment and remit it to the Internal Revenue Service as income tax withholding to be credited against your taxes. If you receive the distribution before you reach age 59½, you may also have to pay an additional 10% tax. You can still rollover all or a part of the 80% distribution that is paid to you by putting it into an IRA or into another qualified retirement plan within 60 days of receiving it. If you want to rollover 100% of the eligible distribution to an IRA or to another qualified retirement plan, you must find other money to replace the 20% that was withheld. You cannot elect out of the 20% withholding (1) unless you are permitted (and elect) to leave your benefit in this Plan, or (2) unless you have 100% of an eligible distribution transferred directly to an IRA or to another qualified retirement plan that accepts rollover contributions.

CLAIMS PROCEDURE

If you feel that you are entitled to a benefit that you are not receiving from the Plan, you can make a written request to the Plan Administrator (or its delegate) for the benefit. If your request is denied, you will be informed by written or electronic notice within 90 days after the Administrator receives your request. This notice will contain the following information: (a) the specific reason or reasons for denial; (b) specific reference to the Plan provisions on which the denial is based; (c) a description of any additional material or information necessary in order to present a thorough appeal and an explanation of why such material or information is needed; and (d) an explanation of the claim appeal procedure and time limits applicable to the procedure, including a statement of your right to bring a civil action under ERISA Section 502 after a denial on appeal.

Note: If the Administrator needs more than 90 days to review your claim for benefits, you will be advised by written or electronic notice within 90 days after the Administrator receives your claim. The notice will tell you why the Administrator needs more time (which cannot exceed an additional 90 days), and the date by which you can expect a decision.

If you disagree with the Administrator's decision to deny your claim, you can appeal the denial to the Administrator. You must submit this appeal to the Administrator within 60 days after the date that you receive the notice of denial of your initial claim. For purposes of the review, you have the right to (a) submit written comments, documents, records and other information relating to the claim for benefits; (b) request, free of charge, reasonable access to, and copies of all documents, records and other information relevant to your claim for benefits; and (c) a review that takes into account all comments, documents, records, and other information you submitted relating to the claim, regardless of whether the information was submitted or considered in the initial decision.

Your denied claim will be reviewed by the Administrator and within 60 days after receipt of the request for review you will receive a written or electronic notice of the Administrator's decision. The notice will (a) provide the specific reason or reasons for denial; (b) refer to the provisions of the Plan on which the denial is based; (c) contain a statement that you are entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records, and other information relevant to your claim; and (d) describe any voluntary appeal procedures offered by the Plan and your right to obtain information about the procedures, and a statement of your right to bring a civil action if you disagree with the Plan Administrator's decision on appeal.

Note: If the Administrator needs more than 60 days to review your denied claim, you will be advised in writing (or electronically) within 60 days after the Administrator receives the request for review. The notice will tell you why the Administrator needs more time (up to an additional 60 days), and the date by which you can expect a decision.

PARTICIPANTS ABSENT BECAUSE OF MILITARY DUTY

PARTICIPANTS WHO DIE DURING MILITARY ABSENCE

If you are absent from employment with us because of military service and you die on or after January 1, 2007 while you are performing "qualified" military service (as defined under the Internal Revenue Code), you will be treated as having returned to employment with us on the day before your death for purposes of determining your Vested Interest. However, you will not be entitled to any additional benefits or contributions with respect to your period of military leave.

DIFFERENTIAL PAY

Effective January 1, 2009, if you are absent from employment with us because of military service and we elect to give you differential pay during your period of military service, you will continue to be treated as an employee for Plan purposes. Differential pay, in general, is any payment we make to you while you are performing military service on active duty for more than 30 days and which represents all or a portion of the compensation you would have received if you were still performing services for us. However, differential pay will not be counted as Compensation in determining the amount of any contributions and allocations under the Plan.

OTHER INFORMATION

ATTACHMENT OF YOUR ACCOUNT

Your creditors cannot garnish or levy upon your Account except in the case of a proper Internal Revenue Service tax levy, and you cannot assign or pledge your Account except as collateral for a loan from the Plan or as directed through a Qualified Domestic Relations Order as part of a divorce, child support or similar proceeding in which a court orders that all or part of your Account be transferred to another person (such as your ex-spouse or your children). The Plan has a procedure for processing QDROs, which you can obtain free of charge from the Administrator.

AMENDMENT OR TERMINATION OF THE PLAN

Although we intend for the Plan to be permanent, we can amend or terminate it at any time. If we do terminate the Plan, all Participants will have a 100% Vested Interest in their Accounts as of the Plan termination date, and all Accounts will be available for distribution at the same time and in the same manner as would have been permissible had the Plan not been terminated.

ACCOUNTS ARE NOT INSURED

Your Account is not insured by the Pension Benefit Guaranty Corporation (PBGC) because the insurance provisions of the ERISA do not apply to money purchase plans. For more information on PBGC coverage, ask the Administrator or contact the PBGC. Written inquiries to the PBGC should be addressed to: Technical Assistance Division, PBGC, 1200 K Street NW, Suite 930, Washington, D.C. 20005-4026. You can also call the PBGC with any questions at (202) 326-4000.

PAYMENT OF PLAN EXPENSES

The Plan routinely incurs expenses for the services of lawyers, actuaries, accountants, third party administrators, and other advisors. Some of these expenses may be paid directly by us while other expenses may be paid from the assets of the Plan. The expenses that are paid from Plan assets will either be shared by all Participants or will be charged directly to the Account of the Participant on whose sole behalf the expense is incurred, as explained in more detail in the Administrative Policy Regarding Payment of Plan Expenses established by the Administrator. If this policy is not attached to this summary, you can obtain a copy from the Administrator.

STATEMENT OF ERISA RIGHTS

YOUR RIGHT TO RECEIVE INFORMATION

As a Participant, you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all Plan Participants are entitled to (a) examine, without charge, at the Plan Administrator's office and at other specified locations, such as worksites and union halls, all documents governing the Plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration; (b) obtain copies of documents governing the operation of the Plan, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) and updated summary plan description upon written request to the Plan Administrator. The Administrator may make a reasonable charge for the copies; (c) receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each Participant with a copy of this summary annual report; and (d) obtain a statement telling you whether you have a right to receive a pension at Normal Retirement Age (which is defined elsewhere in this summary plan description) and if so, what your benefits would be at Normal Retirement Age if you stop working under the Plan now. If you do not have a right to a pension, the statement will tell you how many more years you have to work to get a right to a pension. This statement must be requested in writing and is not required to be given more than once every twelve (12) months. The Plan must provide the statement free of charge.

DUTIES OF PLAN FIDUCIARIES

In addition to creating rights for Plan Participants, ERISA imposes duties upon the people who are responsible for the operation of the Plan. The people who operate your Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of you and other Plan Participants and beneficiaries. No one, including your Employer, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a pension benefit or exercising your rights under ERISA.

ENFORCEMENT OF RIGHTS

If your claim for a pension benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules. Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of Plan documents or the latest annual report from the Plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the Administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court. In addition, if you disagree with the Plan's decision or lack thereof concerning the qualified status of a domestic relations order, you may file suit in Federal court. If it should happen that Plan fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

ASSISTANCE WITH YOUR QUESTIONS

If you have any questions about your Plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory (or which can also be found at the Employee Benefits Security Administration website at http://www.dol.gov/ebsa/aboutebsa/org_chart.html) or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210.

You can call the Employee Benefits Security Administration at (866) 444-3272; TTY/TDD users: (877) 889-5627. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration. You may obtain additional pension-related information at the Department of Labor's website at <http://www.dol.gov/ebsa/publications/wyskapr.html> where you can review a publication called "*What You Should Know About Your Retirement Plan*."
